I focus more on training new employees
skills on child care.
Train unemployed people in communities of
how to be entrepreneurs.
like to share know ledge with others about
my work on child care
Train people on tourism in our province and how to
earn money from that

1) Assist in NGO's, CBO's or HBC on administration, because the systems which are used at Moses Sifhango Health Care Centre are very much advanced and preferred by most donors and Auditors.
2) Assist developing NGO's, CBO's or HBC on fundraising and help develop these organisations in terms of funds and materials things
